

KV-7RSP 1000V Insulated Spanner Set

Major Tech's KV-7RSP 1000V Insulated Spanner Set is the epitome of safety for professionals and DIY enthusiasts working on live conductors up to 1000V AC. Meeting IEC 60900 standards and individually tested to 10,000V, these spanners ensure your protection in electrical tasks. Constructed from durable chrome vanadium steel, these spanners feature a unique design that drives metric sizes with precision. With a 15° head angle, these spanners offer easy access and efficient operation. The 7-piece set covers a range of jaw sizes, including 8mm, 10mm, 12mm, 13mm, 14mm, 17mm, and 19mm, and comes in a protective carrying case for convenient storage and transport. When it comes to electrical work, trust Major Tech for quality and safety.
