

## WS1032 Automatic Wire Stripper

Major Tech's 1.0mm – 3.2mm Automatic Wire Stripper is a reliable tool designed for efficient and precise wire handling. This automatic wire stripper is equipped with a knife-type steel blade and features delayed action to prevent the crushing or cutting of wires. The Zinc Alloy body with PVC handle grips ensures durability and comfortable use. Ideal for production tasks involving lighter gauge wires, automotive wiring, instrumentation wire, and avionic wire, this versatile tool accommodates cable sizes ranging from 1.0mm<sup>2</sup> to 3.2mm<sup>2</sup>. Upgrade your toolkit with this dependable solution, providing a seamless and accurate wire stripping experience for various applications.
